Preface

The 1989/90 *Directory of Education* is a comprehensive listing of publicly supported schools, school boards, and education officials. A key to the layout and abbreviations used in the directory may be found on pages vi and vii.

The directory is divided into seven sections. The first section provides a list of Provincial Schools; the other sections are devoted to the various regions. Each regional section includes the address of the regional office of the Ministry of Education, a list of the ministry officials in the regional office, and a regional map. Also included in the directory are maps, on pages xvi to xix, showing the jurisdictional boundaries of larger school boards. Appendix A on pages 275 to 277 lists the FAX numbers for school boards. Appendix B on pages 278 to 280 provides a list of colleges and universities.

The present directory was compiled from data submitted by the school boards in the 1989 June Board Report and reflects as accurately as possible the information contained in that report. The figures showing the number of staff members and students are those estimated for the 1989/90 school year.

The number of staff members represents the full-time equivalence of both full-time and part-time teachers.

Préface

L'*Annuaire de l'administration scolaire* de 1989/1990 donne la liste complète des écoles subventionnées par les fonds publics, des conseils scolaires et des responsables de l'éducation. On trouvera aux pages vi et vii de l'annuaire une présentation de la disposition typographique ainsi qu'une liste des sigles.

Cet annuaire comporte sept sections. La première présente la liste des écoles provinciales; les autres sections portent sur les diverses régions de l'Ontario. Ces dernières sections comprennent l'adresse du bureau régional du ministère de l'Éducation de la région donnée, la liste des fonctionnaires régionaux du ministère et une carte de la région. L'annuaire contient également des cartes, pages xvi à xix, indiquant les limites des circonscriptions scolaires les plus importantes. On trouvera aussi, aux pages 275 à 277, l'annexe A qui fournit les numéros de télécopieur des conseils scolaires. Par ailleurs, l'annexe B, aux pages 278 à 280, donne la liste des collèges et des universités de l'Ontario.

On a établi l'annuaire à partir des renseignements fournis par les conseils scolaires dans leur rapport du mois de juin 1989 en étant aussi fidèle que possible à ces renseignements. Le nombre d'éducateurs et d'élèves pour l'année 1989/1990 est approximatif.

Le nombre d'éducateurs représente l'équivalence à plein temps des enseignants à plein temps et à temps partiel.

The 1989/90 *Directory of Education* lists 175 school boards as well as the public and Catholic sections of the Ottawa-Carleton French-Language School Board. Of these 177 boards and sections, 172 operate elementary and/or secondary schools.

The number of schools shown above (4718) reflects the number of programs set up by boards and reported on the 1989 June Board Report. Many of these programs are reported under one school administration unit by one principal; others occupy the same facility but are administered by different principals.

It should be noted that of the 474 schools for trainable retarded students that were reported last year, 370 are now incorporated in the data reported by regular schools. Of the 104 reported this year, at least 19 are classes located in schools (12 in public elementary schools, 5 in public secondary schools, and 2 in Roman Catholic elementary schools). The remaining 85 are set up as administrative units; this figure includes 47 that are operated by the Metropolitan Toronto School Board.

It should also be noted that there are 13 junior high schools with students enrolled in Grades 7 to 9; there are also at least 35 schools with both elementary and secondary grades (20 public and 15 Roman Catholic). These schools are reported in both the elementary and secondary school totals above.

L'*Annuaire de l'administration scolaire* de 1989/1990 comprend la liste de 175 conseils scolaires de même que les 2 sections publique et catholique du Conseil scolaire de langue française d'Ottawa-Carleton. De ces 177 conseils et sections, 172 administrent des écoles élémentaires ou secondaires ou les deux.

Le nombre d'écoles mentionné à la page précédente (4718) correspond au nombre de programmes mis en place par les conseils et déclarés dans leur rapport de juin de 1989. La plupart de ces programmes relèvent d'une unité administrative scolaire gérée par un directeur ou une directrice d'école; les autres relèvent de directeurs différents bien qu'ils soient offerts dans une même école.

Des 474 écoles pour déficients moyens déclarées l'année dernière, 370 sont maintenant comprises dans les données des écoles ordinaires. Des 104 écoles pour déficients moyens qui ont été déclarées cette année, au moins 19 sont des classes situées dans des écoles (12 dans des écoles élémentaires publiques, 5 dans des écoles secondaires publiques et 2 dans des écoles élémentaires catholiques). Les 85 autres écoles constituent des unités administratives scolaires; 47 d'entre elles relèvent du Conseil scolaire de la communauté urbaine de Toronto.

Il faudrait de plus noter qu'il y a 13 écoles qui n'accueillent que les élèves de la 7e à la 9e année et qu'au moins 35 écoles dispensent à la fois l'enseignement élémentaire et secondaire (20 écoles publiques et 15 écoles catholiques). Ces écoles sont comprises dans les écoles élémentaires et dans les écoles secondaires du tableau de la page précédente.
